Box 725
Ely, Minnesota

Dear Miss Molter:

From time to time for several years we have discussed with you the possibility of the government acquiring your property on Knife Lake described as Lot 5, Section 31, T 65 N, R 7 W.

We are still interested in acquiring the property and will be pleased at any time to give immediate, serious consideration to any proposal you may wish to make.

Very truly yours,

GALEN W. PIKE
Forest Supervisor
