Dear Miss Molter:

The Lands Department has been informed through Mr. Gerald Heaney of Duluth that you wished to discuss matters pertaining to the proposed purchase of your properties within the Boundary Waters Canoe Area.

It is impossible to set up a definite time and date; however, Mr. Knapp of this office will be in Ely sometime the week of August 26-30. If it does not interfere with any of your plans, he can see you in the latter part of the week. You can leave a message with Ranger Hull if this is not satisfactory.

Sincerely yours,

L. P. NEFF
