Miss Dorothy L. Molter
Box 718
Ely, Minnesota 55731

Dear Miss Molter:

Your letter requesting extension of time to clean out your boathouse has been received.

Ranger John Vogel informs us he has no plans for removal of the boathouse this summer but possibly may get to it in September or October. We will therefore grant extension of time until September 1, 1967, for you to dispose of your personal property in the boathouse.

Sincerely yours,

JOHN O. WERNHAM
Forest Supervisor
