SUBJECT: Dorothy Molter #3884

TO: District Ranger, Kawishiwi

In the acquisition of T65N, R7W, Section 31, Lot 5, we were unable to negotiate a purchase and the United States of America had to resort to condemnation. The above description is torrens or registered property. Certificate of Title No. 3556 was issued in Miss Dorothy Molter's name on February 6, 1950, and registered in the Office of the Registrar of Titles in Volume 12, page 152.

The next time you are at Molter's cabin or see her, we desire that you discuss the possibility of the United States of America obtaining the Certificate of Title No. 3556 which is of no further use to her because the U. S. A. obtained a judgment through stipulations with her.

If we can obtain the certificate from her, it will ease the problem of obtaining a new certificate of title in the name of the U. S. A.

Your assistance will be helpful.
