SUBJECT: Dorothy Molter #3884 Your ref: 9/12/69, 12/31/69

TO: Forest Supervisor, Superior NF

I contacted Miss Molter at her cabin on Knife Lake today, January 14, 1970, concerning the possibility of obtaining the certificate of title for her former property. Miss Molter was agreeable to surrender the certificate of title, however, she stated that it was in the files of her attorney. She is expecting to leave her Knife Lake cabin on January 19, 1970 and will contact her attorney shortly thereafter to see if it is advisable to surrender this certificate to us. I assured her the certificate was of no use to her. She promised to contact us following her visit with her attorney.
