Dear Dorothy:

The purpose of this letter is to confirm for you our discussion on October 26.

I very much appreciate the opportunity to visit with you. It is my aim to work out some solution where you can stay at Knife Lake after your reserved rights expire on December 31, 1975.

You do provide help and information to the users of the BWCA, as well as cooperating with the Forest Service. By enrolling you as a Volunteer in Service we can justify your remaining at Knife Lake as long as you wish.

After you have given this consideration, and if you agree, Ranger Solberg can either bring the form to be signed to your place or you could stop at his office whenever you come to Ely. If you have any questions, please let me know and we can arrange to meet with you to discuss the matter further.

Best wishes.

Sincerely,

Harold E. Andersen
